

First Sunday - Training Nights

Living the Christian life does not come easy to any of us – no matter how long we have been a Christian. We all need help. On the First Sunday of the month, 7pm – 8.15pm we will have training evenings where we will tackle a subject, or an area of Christian service, with a view to improving our 'serving skills'.

Each evening will have a theme. There will be a choice of three groups based on the evening's theme.

JUNE 6th: CARING FOR EACH OTHER AS THE CHURCH

- 1) Introduction to listening skills
- 2) Living out the New Testament "one anothers" at WEC
- 3) Using the Bible in caring for one another

JULY 4th: HANDLING THE WORD OF GOD

- 1) How to meditate on God's Word
- 2) How to read, listen to & apply the Bible
- 3) How to handle God's Word when leading a Bible study (Especially useful for any who lead 2:42 studies whether regularly or occasionally)

These evenings are for everyone. It does not matter how long you have been a Christian or whether or not you are involved in leadership in any way. Everyone is invited.
