

Welcome!

Woodlands Church exists to help people become devoted followers of Jesus Christ. We love being part of Allestree, seeking to point people to Jesus and love and serve the local community in different ways.

We have three congregations – 9am, 11am and 4pm – made up of all ages and walks of life. All have groups for children and youth and serve refreshments after the service. We also have an evening service at 7pm. All are welcome to come along – or you can check us out online – so please do join us!
